Importance: Low

Thank you for your circulation on Notice Complete & Public Meeting - 219 & 223 Bayfield St (D30-013-2022). Your email has been received and relayed to Bell staff for review. The information that municipalities provide to Bell Canada is instrumental to the provisioning of telecommunications infrastructure. Bell Canada also appreciates the opportunity to be proactively engaged in development applications and infrastructure and policy initiatives.

Bell Canada will provide a response should any comments/input be required on the information included in the circulation. Bell Canada kindly requests to always be circulated on any future materials related to this development project or infrastructure/policy initiative. Please note that Bell Canada does not generally comment on the following development applications - official plan and zoning by-law amendments, part lot control, temporary use and interim control by-laws. However, Bell Canada does generally comment on site plan approval, draft plans of subdivision and draft plan of condominium applications.

If you have any questions, please contact planninganddevelopment@bell.ca directly. *Please note that this circulations email account is managed by WSP on behalf of Bell Canada. All reviews and responses are always undertaken by Bell Canada.*

Thank you for your circulation.

Enbridge Gas Inc. does not object to the proposed application however, we reserve the right to amend our development conditions.

Please continue to forward all municipal circulations and clearance letter requests electronically to MunicipalPlanning@Enbridge.com.

Regards,

Attachments: [Notice Complete-Public Meeting e-mail.pdf](#)

Hello Shelby,

MTO has no objections to the change of zoning, but the site is within 395m of MTO property and will require MTO permits and review.

Signs visible from MTO property will require MTO sign permits, an MTO building and land use permit will be required for anything built on site prior to construction.
