Re: Public Information Center – Rodney Street Sidewalk, Collingwood Street to Blake Street

The City of Barrie Engineering Department is completing the detail design for the construction of sidewalk on Rodney Street from Collingwood Street to Blake Street. The sidewalk connects a missing link between the north section of Rodney Street and south section of Rodney Street.

You are invited to attend an in person Public Information Centre (PIC) being held on Monday, July 11th, 2022, from 5:00 p.m. to 7:00 p.m. at the corner of Collingwood Street and Rodney Street, Barrie Ontario. The PIC is drop in format and residents are encouraged to attend anytime during the two (2) hour period. A formal presentation will not be provided at the PIC. A slide show will be posted on the City website that will provide information about the project.

For those that are unable to attend in person, the project information will be available on our website at www.Barrie.ca/Roadwork within the Road Design Projects tab under Rodney Street. A slide show and comment sheets will be provided to obtain your input.

The PIC is intended to:

- Present the project scope, schedule, and details to the public for this reconstruction project
- Describe the proposed construction
- Provide an opportunity to ask questions to City representatives
- Provide input from members of the public on the detail design
- Discuss concerns regarding construction activities

Project Highlights:

- Resurfacing of the west side of Rodney Street Roadway from Collingwood Street to Blake Street

- Road reduction from 8.5m width to 7.5m width
- Curbside concrete sidewalk installation on the west side only
- Boulevard regrading and restoration

Construction Driveway Access:

- On-street parking will not be available in the section under construction
- Access to driveways directly along the project section under construction will be maintained
- Emergency access will be maintained at all times

Project Schedule

Pending budget approval, the construction schedule is as follows:

- Design: 2022-2023
- Construction: Summer 2024

Following the PIC, the drawings and information boards will be posted to the City of Barrie website by July 11th, 2022. Comment sheets will be available on the as well. Alternatively, you may send any specific questions, comments, or concerns, to the Project Manager listed below.

We appreciate the opportunity to share this design with you and discuss any questions and/or concerns you may have with the project.

Yours truly,

Jeff Henry, C.E.T.
