Subject: Proposed Development - 193 Blake Street

Hey Tyler,

My Name is Kyle Eldridge and I live in Ward XX and have family in Ward 1 as well.

I'm writing to you today to show support for the proposed townhouse development at 193-197 Blake St. I think we should continue to support these forms of family friendly and tasteful development as housing continues to become a growing issue in our city.

I look forward to attending the public meeting,

Thanks,

Kyle

Subject: 193 & 197 Blake Street

Hello Mr. Butler,

I hope this email finds you well. My name is Leandra Almeida and I live in WARD

I am writing to show support for the proposed townhouse development at 193 & 197 Blake Street, Barrie. To build anything less than what is proposed such as a bunch of 1 bedroom apartments would be a disservice and an eyesore to the city. Thank you.

Best,

Leandra Almeida

Subject: Support for the Development at 193 197 Blake St

Hello Mr Butler,

My name is William Monteith I live at.

I unfortunately won't be able to attend the meeting on Tuesday but I would like to voice my support.

I believe this is the right size development for the east end. All tho I live on and this will increase traffic, Blake is a main artery and if a development like this and the other six story just up the road from it aren't supported by the city then I don't understand how the city can have the greater good in mind for responsible intensification. I was and still am against the Dundonald tower that has been proposed as it not on a main artery and is in a single family home area. But the same tower on Blake I would have to agree with or even higher. We need make sure the infrastructure and real estate that is on the Main arteries and close to downtown core are maximize.

Thank You for your time,

William and Brittney Monteith
