The purpose of this Memorandum is to provide members of Council advance notice of the third Public Information Centre (PIC) for the Bradford Street Corridor Municipal Class Environmental Assessment (EA) scheduled for Tuesday, December 13, 2022.

Following recommendations contained within the City's Transportation Master Plan, the City is undertaking this EA to identify long-range multi-modal transportation and streetscape improvements to support planned growth. The study is focusing on two specific areas: the Bradford Street corridor and the intersections of Tiffin Street/Bradford Street and Tiffin Street/Lakeshore Drive.
