**RE: FEBRUARY CALENDAR OF RECREATION AND CULTURE PROGRAMMING AND EVENTS**

**DATE: JANUARY 25, 2023**

---

The purpose of this Memorandum is to provide members of Council with an update concerning key programming, rental, and special event activities taking place during the month of February. In addition to regular recreational classes, drop-in activities, and facility rentals at our multi-purpose recreation centres and theatre venues across the City, Recreation and Culture Services staff have many other exciting events taking place next month.

The calendar in Appendix 'A' represents a summary of the larger planned events taking place throughout our many recreation and cultural venues next month. For some events, such as Hello Winter/Winterfest and Family Day, more information will follow in staff memorandums specific to those activities.

These events often take weeks to plan and involve many hours of staff time to provide the best user experience possible. This calendar represents only a portion of the many programs and activities offered to City of Barrie residents and non-residents alike, many of which can be found at [Recreation Programs | City of Barrie](#). The dedication, commitment, and professionalism of the department's full-time and part-time staff can often be seen in the expressions of the many City of Barrie residents and visitors who participate.
