**Subject:** Fwd: Bill 23 - Comments from Allandale Neighbourhood Association

Ms Cooke, please add to the circulation list. Thank you.

Mayor Nuttall,

We were pleased to hear discussions last night around Bill 23 and a motion approved to reach out to the Province with comments and a specific funding request.

We wanted to share with you the ANA's comments and submission already sent to our two MPPs, Housing Minister and submission in the appropriate Environmental Registry for comment. The registry is still open for comments until December 9, 2022.

Are you able to advise what if any comments have already been sent by our Municipality in relation to the various legislative changes?

These changes are sweeping as you know and will impact our community. It didn't sound like the Housing Minister went into detail around "making us whole", either way the money comes from the tax payer.

We would be happy to chat in person or via phone to answer any questions you might have in relation to our comments and Heritage concerns.

The City of Barrie needs to hire a professional Heritage planner/consultant to work on all things Heritage in our beautiful city. In previous years we have only ever had a Planning Staff liaison who allocates 10% or less of their time to heritage. The changes will again impact city resources, please keep this in mind at budget time.

Sincerely  
Cathy Colebatch & Barbara Mackie  
Co-chairs Allandale Neighbourhood Association
