Mayor Lehman advised the public that any concerns or appeals dealing with the proposed Rezoning Application submitted on behalf of the owner S.R. Properties Inc. and the proposed Official Plan Amendment and the Rezoning Application submitted on behalf of 2251914 Ontario Incorporated and the proposed new development Charge By-law – Whiskey Creek Stormwater Management Pond Works and Downstream Conveyance Works should be directed to the City Clerk's Office. Any interested parties wishing further notification of the staff reports regarding the matters were advised to sign the appropriate notification form required by the City Clerk's Office. Mayor Lehman confirmed with the Supervisor that notification was conducted in accordance with the Planning Act and the Development Charges Act.

#### **SECTION "A"**

##### **11-G-141 APPLICATION FOR REZONING – 365, 367 AND 369 EDGEHILL DRIVE – S.R. PROPERTIES INC. (May 16, 2011) (File: D14-1509)**

Mr. B. Goodreid, Goodreid Planning Group explained that the purpose of the public meeting is to review an application for an amendment to the Zoning By-Law submitted by Goodreid Planning Group on behalf of S.R. Properties Inc. for lands located on the south side of Edgehill Drive, east of Pringle Drive. He noted that the property is legally described as Lots 59, 60 and 61, Registered Plan 51M-707. Mr. Goodreid explained that the subject lands are located within the Edgehill Drive Planning Area and are known municipally as 365, 367 & 369 Edgehill Drive, with a total area of approximately 0.27 ha (0.66 acres). He commented that the lands are considered to be designated Residential Area within the City's Official Plan and are currently zoned Single Detached Residential Dwelling Second Density (R2) in accordance with Zoning By-laws 85-95 and 2009-141.

Mr. Goodreid indicated that the owner has applied to amend the current zoning of the property from Single Detached Residential Dwelling Second Density (R2) to Multiple Residential Dwelling Second Density Street Townhouse (RM2-TH) to permit the future development of the property for eight (8) street townhouse units. He noted that the surrounding area is comprised of mixed residential land uses.

Mr. Goodreid stated that he feels that the proposal is consistent with the Provincial Policy Statement and the Places to Grow document as well as the City of Barrie's Official Plan, Edgehill Drive Secondary Plan and the City of Barrie Zoning By-law. In conclusion, Mr. Goodreid observed that he feels the project represents the optimal and best use of the land.

A member of General Committee asked a number of questions of the representative of the applicant.

**APPLICATION FOR AN OFFICIAL PLAN AMENDMENT AND REZONING – 2251914 ONTARIO INCORPORATED, 76 AND 84 ARDAGH ROAD, BARRIE (May 16, 2011) (File: D14-1510)**

Mr. D. Vella, Innovation Planning Solutions explained that the purpose of the public meeting is to review an application for an Official Plan Amendment and Rezoning submitted by Innovative Planning Solutions, on behalf of the owner, 2251914 Ontario Incorporated for lands located on the north side of Ardagh Road between its intersection with Morrow and Patterson Roads. He stated that the property is legally described as Lots 6, 7, 8 on Registered Plan 20, City of Barrie, and is located within the Ardagh Planning Area. Mr. Vella indicated that the property is known municipally as 76 and 84 Ardagh Road and has a total area of approximately 0.67 ha. He indicated that the lands are considered to be designated as Environmental Protection Area within the City's Official Plan and are zoned General Industrial in accordance with Zoning By-law 85-95 and Comprehensive Zoning By-law update 2009-141.

Mr. Vella stated that the proposed Official Plan Amendment and Rezoning would permit the development of the property for a medium density residential development; constituting a 3 storey walk-up building with approximately 51 units. He commented that the building would create a new inviting streetscape consisting of brick and stucco which he feels would blend well with the existing community.

Mr. Vella noted that several studies have been completed to support the Official Plan Amendment and Zoning By-law Amendment applications including the required environmental impact study. Mr. Vella indicated that he feels that the proposed development conforms with the Place to Grow document and that the proposal is an excellent example of how to achieve the goals and objectives of the Places to Grow Plan and the City's Official Plan.

Members of General Committee asked a number of questions of the representatives of the applicant.

**PUBLIC COMMENTS:**

1. **Brad Woodroy, 6 Florence Park Road** commented that he purchased his home because the land uses in the area was single family residential. He indicated that he is not in favour of a 51 unit complex and higher density. Mr. Woodroy stated that he feels that the development will increase traffic in the area and he does not see any benefit to the existing neighbourhood. He feels that caution should be practiced when Environmentally Protected Lands are being considered for development.
2. **Tom Marshall, 7 Florence Park Road** explained that he disagrees with the proposed density for the project. He does not feel that the development and rezoning of Environmentally Protected land is appropriate for this area. Mr. Marshall noted that there is no transition between the existing single family dwellings and the proposed 51 unit building. He commented that he feels there is a flaw with the designated parking spots for the proposed development. Mr. Marshall expressed concern with the proposed aging demographic that is being targeted for the development as a walk up building does not seem suitable for mature residents.

**11-G-143** **PROPOSED NEW DEVELOPMENT CHARGE BY-LAW – UPDATING AREA SPECIFIC DEVELOPMENT CHARGE BY-LAW 2006-165, AS WELL AS THE UNDERLYING DEVELOPMENT CHARGE BACKGROUND STUDY, RE: WHISKEY CREEK STORMWATER MANAGEMENT POND WORKS AND DOWNSTREAM CONVEYANCE WORKS - THE CITY OF BARRIE (MAY 16, 2011) (FILE: F21: USER FEES).**

Mr. J. Cook, CN Watson and associates explained that the purpose of the public meeting is to present and obtain public input on a proposed new Development Charge By-law, updating Area Specific Development Charge By-law 2006-165 (an update of By-law 2002-233), as well as the underlying Development Charge Background Study, regarding the Whiskey Creek Stormwater Management Pond Works and Downstream Conveyance Works. He noted that the meeting is being held pursuant to Section 12 of the *Development Charges Act, 1997*. Mr. Cook explained that the proposed by-law area is unchanged from that included in By-laws 2002-233 and 2006-165.

Mr. Cook noted that Development Charges are the primary financing source for eligible growth-related capital works. He stated that Development Charges are a one-time capital funding source. Mr. Cook explained that in addition to the Whiskey Creek Area specific By-law, the City has a municipal wide Development Charge By-law. Mr. Cook reviewed the Whiskey Creek Area Specific Development Charge eligible costs. He explained how the development charges rates were calculated for the Whiskey Creek Area Specific Development Charges.

In closing, Mr. Cook noted that the next steps in the process include consideration of the background study and proposed by-law by City Council.
