PRESENTATION CONCERNING A BARRIE FIRE AND EMERGENCY SERVICE DEPARTMENT 101

Cory Mainprize, Director of Emergency Services and Fire Chief, provided a presentation concerning a Barrie Fire and Emergency Service Department 101.

Chief Mainprize discussed slides concerning the following topics:

- The Barrie Fire and Emergency Service's (BFES) Vision, Mission and Values statements;
- The BFES' mandate, including public education, fire prevention and suppression, technical rescue, emergency communications, public assistance, and investigations;
- An organizational chart illustrating the reporting relationships and staffing complement of the BFES;
- Administration and Emergency Management functions, including employee wellness, budget management, and long range strategic planning;
- Fire Prevention and Education Branch functions, including fire inspections, fire investigations, building permit review, and door to door education visits;
- Communications Branch functions, including emergency call dispatching, call processing times, and staff training;
- Operations Branch functions, including responding to emergency incidents, travel time, and door to door education visits;
- An overview of data collection and key performance indicators used to measure operational performance and reduce community risk;
- The Emergency Incidents Response Dashboard illustrating the location of each call for service and fire incident response times;
- A heat map illustrating the frequency of calls for service and areas of risk;
- An overview of the City's dispatch services provided to 21 municipalities; and
- Key initiatives of the BFES, including the construction of Station 6, training, mental health and wellness programs, Next Generation 9-1-1, a community risk assessment and reduction plan, and recruitment/diversity, equity and inclusion initiatives.

Members of the Committee and members of Council in attendance asked a number of questions to City staff and received responses.

ADJOURNMENT

The meeting adjourned at 5:45 p.m.
