NVCA 2023 Budget Approved

The Board of Directors unanimously approved NVCA's 2023 budget at \$5,687,989 compared to the 2022 approved budget of \$5,095,130. This includes a \$137,048.95 increase to the municipal levy (shared among all 18 member municipalities), with the remainder coming from grants, fees for services, and other sources. Funds from municipal levy represent 51% of NVCA's revenues.

April 1st Quarterly Administrative Memorandums of Understanding (MOU) for Ministry of Natural Resources and Forestry

The recent *Conservation Authorities Act* regulatory changes require NVCA to prepare transition plans outlining steps and timelines for the preparation of an Inventory of Programs and Services and for the development and execution of MOUs with participating municipalities.

Between October 1 and December 31, 2022, NVCA presented draft inventories to several municipalities, and have re-affirmed that that municipalities are still trying to understand implications of Bill 23 and other regulatory changes before beginning more fulsome conversations and negotiations of MOUs and Service Level Agreements.

Pretty River Dike Maintenance Update

The Pretty River Dike is a flood conveyance structure through the Town of Collingwood. The floodway provides flood risk reduction to surrounding areas and is primarily owned by the NVCA.

Though the floodway is currently in general visual condition, trees and shrubs that have grown on the floodway must be removed to reduce potential spills and improve capacity.

NVCA successfully applied for \$230,000 from the Water and Erosion Control Infrastructure (WECI) program for funding to support this project

As the preferred contractor retired in January 2023, the NVCA Board of Directors approved to contract Janalco to complete Section 4 of the project.

Upcoming Events

Spring Tonic Maple Syrup Festival

Hosted by the Rotary Club of Barrie, the Spring Tonic Maple Syrup Festival is a tradition spanning more than three decades.

Visitors will take a trip back in time to explore how Indigenous people and Pioneers made maple syrup. After that, they will return to current times and see how maple syrup is made today! End the tour with pancake and sausage breakfast with fresh maple syrup and join in many other activities.
