**PM2****APPLICATION FOR ZONING BY-LAW AMENDMENT AND DRAFT PLAN OF SUBDIVISION -500 SALEM ROAD (WARD 7) (FILE: D30-008-2023)**

The purpose of the Public Meeting is to review applications submitted by Innovative Planning Solutions Inc., on behalf of LSR Salem Inc., for a Zoning By-law Amendment and Draft Plan of Subdivision for the property known municipally as 500 Salem Road, Barrie.

The subject property is located on the north side of Salem Road, approximately 50 metres east of County Road 27 within the Salem Secondary Plan Area. The subject property is generally rectangular in shape and approximately 3.32 hectares with 340 metres of frontage along Salem Road.

**Zoning By-law Amendment**

The applicant is proposing to amend the zoning on the eastern portion of the subject property from 'Agriculture General' (AG) to 'Neighbourhood Residential' (R5) to permit the future development of the lands through a Draft Plan of Subdivision.

**Draft Plan of Subdivision**

The purpose of the Draft Plan of Subdivision Application is to subdivide the eastern portion of the subject property for the development of 34 street townhouse units and a municipal road.

**Background - Related Applications (Consent and Minor Variance)**

The subject property was recently subject to Consent (severance) and Minor Variance Applications (Files: A23/22 and B25/22) to create a new residential lot on the western portion of the property. The purpose of the consent/severance was to maintain the existing single detached residential dwelling located on the western portion of the property, while facilitating the development of the eastern portion of the property through Zoning By-law Amendment and Draft Plan of Subdivision Applications.

The Consent and Minor Variance Applications were conditionally approved, subject to the property owner conveying a road widening along Salem Road to the City, together with environmental protection and open space blocks located in the central portion of the property. The consent/severance approval was also conditional upon the property owner amending the zoning of the eastern portion of the subject property to bring it into compliance with the City's Comprehensive Zoning By-law 2009-141, as amended.
