

Notice – Item for Discussion

Submitted by:	Councillor Nixon
Subject:	Investigation for two hour parking limit – West side of Davidson St, in front of Oakley Park Public School
Reference Committee Name:	Community Safety
Reference Committee Date:	
General Committee Date:	
City Council Date:	

Motion for Consideration:

“That staff in the Development Services Department investigate the feasibility of implementing a two (2) hour parking limit on the west side of Davidson Street, in front of Oakley Park Public School, and report back to General Committee.”

Reason or Rationale in support of the motion:

The school also operates a “daycare” program where parents are dropping off and picking pre-schoolers who require to be escorted to and from their class. Currently, there is no parking on either side of the street which forces parents to either park a significant distance from the school, or park “illegally” and run in and out with a fear of being ticketed. By allowing 2 hour parking on the west side parents could avoid crossing the street with a child in tow during these busy hours of the day.

Linkage 2022-2026 Strategic Priorities:

This aligns with our Community Safety Priorities by supporting neighborhood safety initiatives for both drivers and pedestrians.
