Subject:	No Parking - Downing Crescent
Reference Committee Name:	Community Safety
Reference Committee Date:	October 2023
General Committee Date:	October 2023
City Council Date:	October 2023

Motion for Consideration:

That staff in the Development Services Department be directed to make the south side of Downing Crescent from numbers 1-8, inclusive of the curve in the road east of #8, a no parking zone.

Reason or Rationale in support of the motion:

The past few summers parking on Downing Cres has become a major issue along the north end of the crescent due to people parking on both sides of the street and blocking driveways in the evenings when the soccer and baseball diamonds are being used. By-Law has attended on several occasions however the issue continues to persist. Thus why only permitting parking on one side of the street where there are no driveways will resolve the issue.
