Brief Statement of Purpose of Deputation:

In response to the proposed budget cuts to library funding, I wish to share with council some vital services our library system provides that members may not be aware of. These are services I have accessed as a resident since birth, a parent of three children and, most of all, as a Barrie-based writer of award-winning books published around the world and of plays that celebrate the fascinating people, industry, way of life, and legacy of this extraordinary city and its inhabitants.
