Motion for Consideration:

That staff in the Operations and Economic and Creative Development, in consultation with the Finance Department, investigate the feasibility of establishing a funding program, similar to the Recreation and Sport Community Grant Program, to support community environmental groups and not-for-profits and report back to General Committee.

Reason or Rationale in support of the motion:

- 1. Environmental groups such as Living Green, Clean Up Barrie and others provide a valuable service in our City.
- 2. Environmental groups struggle to provide the activities that they and their volunteers are passionate about.
- 3. The City supports other volunteer groups by providing grants.

Linkage 2022-2026 Strategic Priorities:

A thriving community supports its citizen volunteers and encourages the improvement of our natural environment.
