

## Notice – Item for Discussion

<b>Submitted by:</b>	Mayor A. Nuttall
<b>Subject:</b>	Additional Speed Cameras
<b>Reference Committee Name:</b>	Community Safety
<b>Reference Committee Date:</b>	May 8, 2024
<b>General Committee Date:</b>	May 29, 2024
<b>City Council Date:</b>	June 5, 2024

### Motion for consideration:

That staff in Development Services be authorized to lease two additional automated speed enforcement cameras to be funded through the program revenue in the operating budget.

### Link to Vision

- Address speeding and aggressive driving to ensure street and pedestrian safety

### Reason or Rationale in support of the motion:

Automated Speed Enforcement has proved to be an effective mechanism to reduce speeds in Community Safety zones when in use. Additional cameras will provide opportunities to mitigate speeding in additional areas of the City.
