Dear Sirs:

**RE: ZONING BY-LAW AMENDMENT APPLICATION – S.R. PROPERTIES INC.  
(365, 367 & 369 EDGEHILL DRIVE)  
FILE NO.: D14-1509**

Enbridge Gas Distribution has no objections to the application as proposed.

At this time this is not a commitment by Enbridge Gas Distribution to service this site, to service this site by a given date or that there will be no costs for servicing this site.

In the event that easements are required to service this development the applicant will provide easements at no cost to Enbridge Gas Distribution.

If the applicant is subdividing or severing an existing parcel the applicant is keep the existing gas services completely within the parcel being serviced. Costs for easements, for services not within the parcel being serviced, or to relocate existing services will be the responsibility of the applicant.

The requirements identified here within are subject to change. Enbridge Gas Distribution retains the right to add, amend or remove conditions, or obtain easements to service this application, at no cost to Enbridge Gas Distribution.

Yours truly,

A handwritten signature in black ink, appearing to read "JA" followed by a stylized flourish.
