I would just like to add my name to the list. The student drivers in my neighbourhood (ramblewood dr) are non-stop, dozens a day, it's like the only neighbourhood they go to. Turning around in the street, and parallel parking on every car parked on the road.  
I'm not really interested in speaking but happy to add my name to those affected. Maybe a non school neighbourhood would be a better place to learn to drive.

Good afternoon,

Are you in opposition to the recommendation of General Committee concerning sending a letter to the Ministry of Transportation to add additional drive test routes in the City of Barrie?
