## **SECTION "A"**

### **PRESENTATION CONCERNING RESTORATION AND DONATION OF HISTORIC TRAIN ENGINE 1531**

Stephannie Schlichter, Director of Economic of Creative Development and Amanda Dyke, Culture Officer (Development) provided a presentation concerning the restoration and donation of Historic Train Engine 1531.

Ms. Schlichter discussed slides concerning the following topics:

- Council's direction to consult with the Committee concerning relocation of Historic Train Engine 1531;
- A project overview of Engine 1531;
- The current status of Engine 1531;
- The municipalities relationship with the Simcoe County Museum;
- The challenges and considerations for the Simcoe County Museum related to the train;
- The options of restoring versus donating Engine 1531 to the Simcoe County Museum;
- The Allandale Station and Southshore Park locations;
- The impacts on Heritage Tourism;
- A preliminary cost benefit analysis associated with Engine 1531; and
- Staff's recommendation to donate Engine 1531 to the Simcoe County Museum.

Members of Committee asked a number of questions of Ms. Schlichter and Ms. Dyke and received responses.

The Committee discussed the costs and benefits associated with restoring versus donating Engine 1531 to the Simcoe County Museum. They agreed that locating the train at the Museum would provide more educational opportunities for the public. The Committee discussed potential safety and security concerns related to the train being relocated to the City versus the Simcoe County Museum.

The Committee agreed with staff's recommendation in Staff Report ECD004-21 presented to General Committee on September 13, 2021, to restore and donate the Historic Train Engine 1531 to the Simcoe County Museum. They also recommended that a historic train exhibit or display be erected in the vicinity of Allandale Station to recognize the significance of railway history in Barrie.

The Heritage Barrie Committee met and recommends adoption of the following recommendation(s):

## **SECTION "B"**

### **RESTORATION AND DONATION OF HISTORIC TRAIN ENGINE 1531**

That in response to motion 21-G-218 requiring staff to consult with the Heritage Barrie Committee on costs associated with relocating Engine 1531 to the Allandale Station area, the Heritage Barrie Committee recommends that the following original recommendation in Staff Report ECD004-21, Restoration and Donation of Historic Train Engine 1531, be approved:

- “1. That subject to the approval of the County of Simcoe, staff in the Economic and Creative Development Department be authorized to negotiate an agreement with the Simcoe County Museum for donation of Engine 1531, its tender box and its caboose (referred to as Engine 1531) that identifies the donation, to be included as part of the Museum’s larger exhibit regarding local railway heritage, with an emphasis on City of Barrie and the Allandale Station, subject to terms and conditions to the satisfaction of the Director of Economic and Creative Development and in a form to the satisfaction of the Director of Legal Services.
2. That the City Clerk be authorized to execute the donation agreement subject to the terms of the agreement being to the satisfaction of the Director of Finance/Treasurer and in a form to the satisfaction of the Director of Legal Services.
3. That funding in the amount of \$150,000, \$100,000, and \$64,000 be included in the Capital Budget request for the years 2022-2024 respectively, funded from the Reinvestment Reserve in order to complete the restoration work needed to restore Engine 1531 to a condition suitable for donation.
4. That staff in the Economic and Creative Development and Corporate Facilities Departments incorporate a program to include community displays for recognizing the railway as part of the City’s heritage and as part of the City’s restoration work at Allandale Station, in consultation with the Allandale Neighbourhood Association and Heritage Barrie and report back to General Committee with options and costs associated with the recognition program.” (ECD004-21) (21-G-218)

This matter was recommended to City Building Committee for consideration of adoption at its meeting to be held on 11/23/2021.
