SINGLE TREE BY-LAW UPDATE

Councillor A. Kungl provided an overview of the Single Tree By-law discussed at the last City Council meeting.

Andee Pelan, Living Green Barrie summarized areas of concern regarding wording within the motion passed by Council.

Councillor A. Kungl discussed a recommendation to the City Building Committee for the September 21, 2021 meeting to look at the evaluation of best practices from other municipalities, the potential for a more comprehensive approach to mature tree protection, as well as public and stakeholder consultation.

The Committee had further discussions on this item.
