### **PRESENTATION CONCERNING A BARRIE SIMCOE EMERGENCY SERVICES CAMPUS PROJECT UPDATE**

Paolo Bovolini, Capital Project Supervisor, provided a presentation updating the status of the Barrie Simcoe Emergency Services Campus (BCEESC) Project.

Mr. Bovolini discussed slides concerning the following topics:

- A video illustrating the progress of the BCEESC and where the Project is today;
- An undated timeline moving forward until the Project completion in December, 2020;
- The financial health check for the Project;
- The Co-ownership Agreement between the County of Simcoe and the City of Barrie;
- The Project wins associated to the application of LEAN construction initiatives; and
- The website and direct phone line for additional information on the Project.

Members of General Committee asked a number of questions to City staff and received responses.
