PRESENTATION CONCERNING THE 2019 PARKING STRATEGY UPDATE

Tessa Williams, Transit Business Services Analyst provided a presentation regarding the 2019 Parking Strategy Update. Ms. Williams commented that discussions have taken place with other municipalities surrounding parking strategies and business experiences associated with parking.

Ms. Williams discussed slides concerning the following topics:

- The scope of business problems surrounding parking in Barrie;
- The development of a parking ecosystem including customer and operator benefits;
- The other considerations related to parking programs in Barrie and the opportunities;
- The current and proposed parking guiding principles;
- The proposed guiding principles of a refreshed parking strategy;
- A diagram of the evaluation framework for recommended changes; and
- The tentative timelines associated with the Parking Strategy update

Members of Committee asked a number of questions of City staff and received responses
