PRESENTATION CONCERNING THE SHIFT GOVERNMENT PROJECTS

Mayor, J. Lehman and Andreea Campobasso, Design Partner provided a presentation concerning an update on the Shift Government Projects.

Mayor Lehman and Ms. Campobasso discussed slides concerning the following topics:

- An overview concerning the Shift Government's initiative to approach complicated socio-economic issues and delivering solutions and alignment with Council's Strategic priorities;
- The leadership of the Shift Government and its coordinated approach to deal with issues;
- The existing collaborations with Healthy Barrie, Collaborate Barrie and the Sandbox;
- The Shift Government's methodology and approach;
- The Pilot Projects currently being undertaken by the Shift Government in collaboration with other organizations and agencies;
- A summary of challenges, solutions, outcomes and impacts of the following Pilot Projects:
 - Connected Core: Downtown Pilot;
 - Barrie Housing/Georgian College: FlashFood;
 - Seniors/Students: Homeshare; and
 - Barrie Housing: Flooring Challenge.
- Strategic Projects to expand across the sector;
- The idea of a City Human Infrastructure Plan;
- The concept of a National Municipal Fund;
- The Design Think methodology; and
- A quote from Tim Brown.

Members of Council asked a number of questions to Mayor Lehman and Ms. Campobasso and received responses.
