Title:	CYCLING INFRASTRUCTURE IMPLEMENTATION UPDATE FROM TRANSPORTATION PLANNING				

Brett Gratrix, Transportation Planning Lead provided an update to the Committee concerning the Cycling Infrastructure implementation plans throughout the City and the status of those projects. He advised that the 2020 has been a great year for active transportation and have been able to complete 12.7 kilometers through road diets and reconstruction projects. Mr. Gratrix named a number of streets in Barrie that are completed and he noted that Tiffin Street and Hurst Drive are still under construction.

The Committee discussed the implementation on cycling infrastructure and funding opportunities available to support that work.
