## 70-72 DUNLOP STREET SIGN INSTALL - APPLICATION TO AMEND APPLICATION TO ALTER DESIGNATED HERITAGE BUILDING - SECOND SUBMISSION

T. Wierzba, Planner provided the background regarding an application to install a sign on a designated heritage building at 70 and 72 Dunlop Street East. Mr. Wierzba advised that the property owner decided to make a change to the already approved signage for 70 and 72 Dunlop Street East, and chose to submit a second amended application form to alter designated heritage building for approval. Mr. Wierzba advised that he reviewed the second submission and felt that proposed changes to the signage appeared to be only aesthetic in nature and still met the parameters of the signage that was approved by City Council on November 25, 2019. The Committee discussed and provided their feedback to Mr. Wierzba. Mr. Wierzba noted that he would follow up with the applicant and provide the Committee with an update at a future meeting.
