TEMPORARY SIGNAGE

That staff in the Legal Services Department investigate the feasibility of implementing changes to By-law 2005-093, a by-law to regulate advertising devices, including signs, that would incorporate the following:

- a) a permit system for the placement of lawn, pole, poster, bill and other temporary signage;
- b) an administrative penalty for signage found in contravention of By-law 2005-093; and
- c) other provisions that would reduce the proliferation of lawn, pole, poster, bill and other temporary signage. (Item for Discussion, August 29, 2011) (File: L00)
