2022 HERITAGE WEEK

Councillor, C. Riepma provided update concerning the 2022 Heritage Week. The Committee agreed that due to the current restrictions with the COVID-19 pandemic that events would be limited to presentation of the Heritage Barrie Awards.

The Committee will forward suggestions for future heritage week events to Kayleigh MacKinnon.

Deb Exel acknowledged how brilliant it was that the ceremony for the Heritage Barrie Awards has been moved to coincide with Heritage Week which takes place annually during the month of February.
