PURCHASE OF TENT AND TABLES FOR EVENTS

David Moore provided an update concerning costs associated with the purchase of a tent and tables for Committee use at events.

The Committee provided it's feedback to Mr. Moore concerning the tent and tables. The Committee suggested having the Committee's logo printed on the tent so that it would be recognizable at events.

The Committee approved an expenditure of funds from the Heritage Barrie Committee budget up to \$1500.00 for the purchase of a tent and tables to be used by the Committee at events.
